

GOMMAGE FACILE

Exfoliating body scrub with loofa fibres.

Combines exfoliating and cleansing in one easy step to make skin as smooth as silk. Loofa fibres gently eliminate rough patches and dead cells to leave the skin renewed and ultra smooth, just in time for spring and summer!

BEAUTE NEUVE CREAM

Renew skin with gentle fruit acids.

A moisturiser that gently eliminates dead cells and stimulates cellular renewal.

Signs of fatigue and ageing are reduced. The skin's texture is smooth and refined. The complexion is more luminous and radiant. Glow in the beauty of your skin this spring with the Beaute Neuve Cream.

HUILE SATINEE

Satin body oil for extreme nourishment

Softening regenerating body oil for dry, dehydrated or dull skin. Silk extracts, rich in essential fatty acids, nourish and soften the skin making it incredibly velvety soft. Rehydrate your body after winter.
