

TROPIC TONIC

ENERGISING SHOWER GEL WITH MANGO EXTRACTS

MOUSSE DE FRAICHEUR becomes: TROPIC TONIC, energising shower gel

ALL THE TROPIC FRUIT VITAMINS IN YOUR SHOWER

TROPIC TONIC:

- Deeply cleanses and purifies the skin, while respecting the skin's balance thanks to its gentle cleansing properties.
- Invigorates and provides vitality to the skin with its Mango extracts, rich in vitamins and minerals.
- Moisturises and leaves skin supple and soft thanks to the moisturising properties of Guava, the emollient ones of Hibiscus, and Lamesoft, a gentle cleansing agent that regenerates the hydrolipidic film of skin.
- Stimulates cellular renewal with the exfoliating properties of the Hibiscus flower, and the regenerating virtues of passionfruit.
- Protects blood capillaries and stimulates cutaneous microcirculation thanks to polyphenols found in Hibiscus.

COLOUR & FRAGRANCE THAT AWAKENS THE SENSES

Its invigorating, orange colour culminate a sense of the exotic, while its energising fragrance will generate visions of tropical islands where the fresh breeze mixes with the sun's gentle sensuality.

PACKAGING

The Tropic Tonic clear bottle has a 200ml capacity. It is sold without a box to promote its beautiful, fruity and stimulating colour.

DIRECTIONS FOR USE

In the shower or bath, pour a small amount of Tropic Tonic in the palm of your hands and apply to wet skin. Lather up using circular movements starting with the feet and ankles, and working up to the upper part of the body. Rinse thoroughly with lukewarm water.

Far from a mere shower gel, Tropic Tonic is a cleansing, invigorating and energising treatment for the skin.
