SUGAR-KIWI BODY SCRUB

The **SUGAR-KIWI BODY SCRUB** has a delectable texture and is formulated with 100% natural active ingredients. It includes 4 different types of exfoliating particles: **white and brown sugar, salt and kiwi seeds**. Thanks to the diverse sizes of these particles, this product offers complete and highly effective exfoliating action. It is adapted to all different skin types and optimally eliminates dead surface cells, cutaneous roughness as well as activates cellular regeneration. It is applied to dry skin and massaged in using large smoothing movements. It easily rinses off and leaves the skin incredibly soft and comfortable.

Actions :

- Eliminates dead cells and skin imperfections, thanks to white and brown sugar, kiwi seeds and salt. It also refines the skin texture.
- Nourishes and softens the skin, thanks to Shea Butter and Coconut, Palm and Coprah oils.

Composition:

- **KIWI SEEDS** (large sized for eliminating thick and resistant dead surface skin)
- **WHITE AND BROWN SUGAR** (medium sized for eliminating impurities)
- **SALT GRAINS** (very fine for exfoliating action on small and light epidermal cells)
- **SHEA BUTTER** (nourishing, softening, cellular regeneration)
