AROMATIC Body Treatment

EXFOLIATING LOTION WITH PAPAYA ENZYMES

This **EXFOLIATING LOTION** eliminates dead surface cells and prepares the skin to more effectively absorb active ingredients. It activates blood microcirculation throughout the entire treatment and thus promotes cellular exchanges.

Actions :

- **Exfoliates** the upper layers of the epidermis.
- **Activates cellular exchanges**, thanks to hyperaemia.
- **Prepares** the skin for the subsequent treatments.

Composition:

- **SORBITOL, LEMON, PAPAYA ENZYMES** (exfoliate the upper layers of the epidermis)
- **SUGAR CANE** (rich in glycolic acid) (exfoliator)
- **METHYL NICOTINATE** (activates cellular exchanges, thanks to hyperaemia)

AROMATIC Body Treatment

ANTI-CELLULITE DETOXING OIL WITH ESSENTIAL OILS

The essential oil complexes are specially formulated for long-lasting massage action and leave a non-greasy, silky film over the skin. Thanks to their high concentration in apricot kernel and grape seed oils, they help restore a high quality lipidic barrier over the skin, leaving it soft and optimally nourished.

DETOXIFYING ANTI-CELLULITE OIL targets unsightly bulges, stimulates the breakdown of fat and activates lipolysis mechanism.

Actions :

- **Slims down the body** by stimulating the breakdown of fat and activating lipolysis, thanks to Lipokinases and the body contouring properties of green tea.
- **Drains and decongests**, thanks to cypress essential oil and green tea extract.

Composition:

- **LIPOKINASES** (Rhodysterol) (lipolytic)
- **GREEN TEA EXTRACT** (contours the body, phlebotonic)
- **CYPRESS ESSENTIAL OIL** (tones blood veins, antiseptic)

AROMATIC Body Treatment

ENERGIZING TONING OIL WITH ESSENTIAL OILS

The **ENERGIZING TONING OIL** firms and restructures cutaneous tissue as well as restores suppleness and softness to the skin.

Actions :

- **Tones and invigorates the skin** and awakens the senses, thanks to its blend of lemon, orange and grapefruit essential oils.
- **Eliminates toxins**, thanks to the draining properties of grapefruit essential oil.
- Fights against the harmful effects of free radicals and boosts cutaneous hydration, thanks to vitamins E and F.

Composition:

- **GRAPEFRUIT ESSENTIAL OIL** (drains, detoxifies)
- **SWEET ORANGE ESSENTIAL OIL** (tones, softens, antiseptic)
- **LEMON ESSENTIAL OIL**
(tones, anti-inflammatory)
- **VITAMINS E and F**
(anti-free radical, antioxidant, restructuring)

AROMATIC Body Treatment

REFINING SAUNAMASK WITH CLAY AND GREEN TEA

The **ANTI-WATER RETENTION SAUNAMASK** is a peeling mask that is applied as a wrapping / envelopping. This mask, which comes in a ready-to-use powder that polymerises when mixed with lukewarm water, is left on the skin to dry. It forms a supple film that is easy and rapid to remove, like second skin. This mask helps the active ingredients to optimally penetrate the skin.

Actions :

- Helps **to eliminate fat** by stimulating lipolysis and draining skin tissue, thanks to detoxifying clay and green tea, which is rich in caffeine and theophylline.
- **Immediate skin firming action** that is visible as soon as the mask begins to dry + a **Sauna Effect** to eliminate toxins
- **Invigorates the skin**, with the trace elements found in the clay and moistures , thanks the algae extract (alginate).

Composition:

- **CLAY** (detoxifies, restores minerals and tones)
- **GREEN TEA EXTRACT** (contours the body, phlebotonic)
- **SODIUM ALGINATE** (firms and moisturises)
